

INFORMATION --- SPECIAL ISSUE OF DESIGNS, CODES AND CRYPTOGRAPHY

There will be a special issue of *Designs, Codes and Cryptography* in the topic of *Coding and Cryptography*. This issue is by invitation only and the authors of an accepted and presented paper of WCC 2013 are invited to submit a paper to this special issue based upon their presented WCC paper.

The paper is submitted to *Designs, Codes and Cryptography* and when you see the pull down menu for choosing the article type you should choose:

SI: WCC 2013 (By Invitation only)

The submissions will be refereed by the usual high standard of *Designs, Codes and Cryptography*. The guest editors of the special issue will be *Lilya Budaghyan, Tor Helleseth and Matthew Parker*.

The planned schedule is as follows:

Submission deadline: **September 1, 2013**

Notification of authors: January 1, 2014

Final paper deadline: May 1, 2014

Sincerely,

Lilya Budaghyan, Tor Helleseth and Matthew Parker
